A NEW SEASON

As we step into a new year and new quarter, we're reminded that God is always doing something new—both in the world and within us.

This season, we're diving into two powerful sermon series designed to inspire and equip us for what's ahead:

THE STORY: A journey through Scripture to build a strong, Biblical worldview that shapes how we live and love.

enTRUSTed: A call to generosity, exploring how we can honor God with our time, talents, and finances.

These messages are more than teachings—they're invitations to deeper faith and purposeful living and cannot wait to journey with you!

We're excited to continue reimagining church as a community where everyone belongs. Beyond our Morning Happenings and Worship Experience that takes place Saturday mornings, ministries like grow groups, young adult meet-ups, and serve opportunities remind us that church is about relationships and real-life impact. Your generosity fuels these moments and more, helping us care for the hurting, connect the disconnected, and spread hope while growing our own faith in a real way.

If you haven't already, consider how you might partner with us through giving this season. Together, let's step boldly into what God has next for us.
